National Clinical Audit Tool Coronary Heart Disease

Terms & Conditions of Installation

Installation date: ____ / ____ /2001

This form is to be completed following installation of the software.

I have read the following terms and conditions and understand that:

1. Installation is followed as per the installation notes.
2. Amendments cannot be made to the database without consent from the National Programme Manager.
3. Any defaults that are set-up at installation can only be changed with prior consent of the National Programme Manager.
4. Data is to be archived and exported to the National Programme Manager at least on a monthly basis, the mechanism of which is to be agreed at installation.
5. The National Programme Manager is informed of any local queries used.
